Shogi Battlefield

Shogi Battlefield Gathering

What is Shogi Battlefield? This is a game which we flick pieces. The person who flicks off the King is the winner. One of the skills is to flick straight. So first, let's practice in this gathering, shall we?

◆◆Characteristics of Shogi Battlefield◆◆

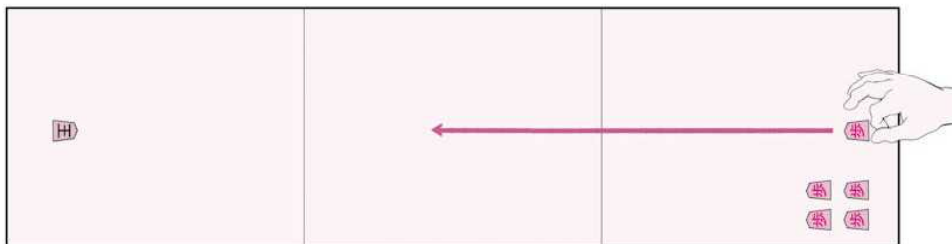

- Pawns cannot knock off other Pawns. When this happens, you get a red card, so please be careful. The Pawn which was flicked off is returned.

Learn the basic rule and try to play it. Join us and let's play together !
